Key Dates For Your Diary

- **Easter Revision**
30th March – 1st April 2026
- **Start of Summer Term**
Monday 13th April 2026
- **Yr 12 A Level KAP exam week**
18th–22nd May 2026
- **Deadline for all BTEC/CTEC coursework**
Friday 22nd May 2026
- **May Half Term**
Mon 25th May–Fri 29th May 2026
- **Deadline for UAL coursework**
Friday 5th June 2026
- **Yr12 Progress Review Eve**
Wednesday 17th June 2026
- **Summer Open Day Fair**
Wednesday 24th June 2026
- **Yr 12 House Day**
Thursday 2nd July 2026
- **Yr 12 Last Day of Term**
Thursday 2nd July 2026
- **New Student Experience Day**
Friday 3rd July 2026
- **Level 3 Results Day (A Level BTEC/CTEC/UAL)**
Thursday 13th August 2026
- **Level 3 Results Day (GCSE/BTEC Level 1 and 2)**
Thursday 20th August 2026

Fundraising

So far this year, the College community has raised over £2715 for charity which is a wonderful testament to our students and staff, who are clearly living out the College values of kindness, service and inclusion.

Message from the Principal

Welcome to our Spring term newsletter. As we reach the end of a busy and productive term, I am reminded why Spring is undoubtedly my favourite time of year. It is a season of renewal—the days are getting longer, flowers are beginning to bloom, and the natural world is waking up after the winter months.

This newsletter serves as a snapshot of college life since our return in January, celebrating the remarkable achievements of our students and staff. We began the term by celebrating the success of our GCSE resit students, whose January results in English and Maths were once again well above the national average. I am incredibly proud of their hard work, and that of our BTEC/CTEC students who also received some unit exam results just last week. Again, their hard work seems to have paid off with students achieving some outstanding grades.

The UCAS deadline for September 2026 university applicants closed in January, and I am thrilled to report that we sent off just shy of 500 applications—representing more than 90% of our Year 13 cohort.

In preparation for the upcoming summer exam season, all A-level students have recently completed KAP exams. This provides essential practice, and it is important that students respond positively to the feedback received from these assessments. The summer exams will come around very quickly, so it is important that students maintain their momentum and focus.

The College remains as vibrant as ever. We recently hosted a successful Open event, welcoming over 800 visitors who learned what it is like to be a student of the college, as well as providing an opportunity to find out more about particular subjects. It was a fantastic event that showcased the strength of the St Francis Xavier family.

In the pages that follow, you can read more about:

- Highlights from recent college trips and visiting speakers.
- Inspirational individual student stories.
- Important diary dates and "appetisers" for the half-term ahead.

I would like to take this opportunity to thank our students, staff, parents, and carers for your continued support. My sincere thanks go to everyone who has provided such incredible opportunities and activities for our students.

I also wish every member of our college community a very happy and Holy Easter.

Chaplaincy

The Chaplaincy here at SFX is at the heart of our college. The Spirit of the Gospel is at the centre of our way of life, relationships, and community. We want to accompany each student on their journey through college, offering support and opportunities to develop spiritually, morally, and intellectually. Our Chaplaincy base (Rm 049) provides a space for students to socialise, study, play board games as well as apprise Deacon Tony of their day and find out what's happening in Chaplaincy. Chaplaincy meetings take place each Wednesday, where Deacon Tony and members of the Chaplaincy Group discuss the work of the Chaplaincy, as well as plan charity events and social action activities. All members of the SFX community are welcome to join the Chaplaincy. If you are keen to get involved, then please email our College Chaplain, Deacon Tony: a.flavin@sfx.ac.uk. Some of the wonderful events organised by the Chaplaincy team so far this term are shown below.

We were delighted to be one of a handful of schools and colleges to be invited to the Episcopal Ordination of Bishop Gerard Bradley on 2nd February. Bishop Gerard has been a great friend to the College over the years and has in recent years, supported our confirmation candidates. We wish him well in his ministry.

My thanks to Deacon Tony and Jamie Gittens, who accompanied a group of 13 students on a 3-night retreat to St. Cassian's Kintbury. The retreat gave the students some time away from their busy college schedules, allowing them to focus on themes such as reconciliation and the Good News.

Reflections take place daily just prior to break time. During this Lenten season, reflections have centered on the traditional pillars of fasting, prayer, and almsgiving. In keeping with our commitment to being an inclusive community, we are framing these practices as opportunities for both personal growth and collective social responsibility.

Students and staff are invited to participate in "purposeful fasting"—not only through traditional abstinence but by "fasting" from unsustainable habits or digital distractions to create space for mental wellbeing. All staff and students have also been invited to Mass and Stations of the Cross, which take place every Wednesday during this holy season. This period serves as a timely reminder of our core values: fostering a culture of self-discipline, empathy, and active service to our wider community.

This year's Confirmation course has drawn six enthusiastic students, keen to deepen their faith journey. The course is structured into six sessions, designed to explore key tenets of Christian belief and practice. The culmination of their journey will be the Confirmation Mass, which will be held on Wednesday, 6th May at 4:30 pm. We are delighted that Episcopal Bishop Gerard Bradley will once again celebrate the Mass, guiding the students as they receive the Sacrament of Confirmation

Fundraising and Charity work

We are blessed by the amount of fundraising undertaken by our students and staff. So far this year, students and staff have raised over £2715. The Chaplaincy charity committee have just launched the Big Lent Raffle. Students wrote to local retail outlets asking them for their support, and some responded positively with some gift vouchers, which will be raffled. My thanks to Sainsbury's, Greggs, Marks and Spencer's, Nando's and Costa Coffee for their support. Proceeds from the raffle will be used to buy some hygiene packs for local rough sleepers who often use the facilities of the Ascension Church, which is just across the road from the College. Some of the other charities supported this year include: Macmillan Cancer, British Red Cross, ACLT, Refuge, MIND, Mentivity, Great Ormond Street Hospital, Key Changes, and Ace of Clubs.

My thanks to everyone who has donated this term.

During the final week of February, the college came together for the Xpress Yourself Talent Show to raise money for the Mosaic Clubhouse, a Brixton-based charity that aims to promote positive mental health for those aged 16 and over. £175 was raised through ticket sales. There was plenty of talent on show, from the soulful ballads to contemporary K-Pop dance. Congratulations to all the participants, but especially the winner and runners-up:

1st:

Francis

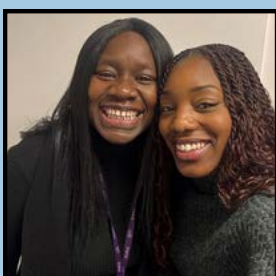

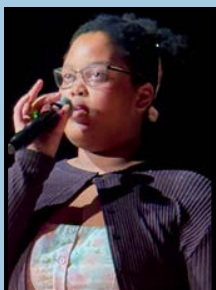

2nd:

RJC

3rd:

Brigid &

Silla

Ms Edwards, who organised the show, will also be supporting Mosaic Clubhouse when she runs the London Marathon next month. Ms McPeke, our head of Health & Social Care, will be joining her, so I wish them both well for the challenge

Big Lent Walk 2026

Just this week, 16 of our amazing Chaplaincy students spent the morning supporting St Mary's Primary School in Clapham as they took on the CAFOD Big Lent Walk.

Our students were fantastic walking buddies to a whole host of enthusiastic Year Two pupils, helping them navigate the route, stay motivated, and have plenty of fun along the way!

We were also delighted to be reunited with the Year Five class we supported during last year's walk. They even brought along the Jubilee Year of Hope mascot, Luce — the very mascot our students gifted to them in 2024. It was wonderful to see Luce still going strong and inspiring another year of hope-filled action.

To celebrate everyone's effort and spirit, all participants received a gold star badge at the end of the walk.

A huge thank you to St Mary's Primary School for welcoming us back, and to our Chaplaincy students for their warmth, energy, and commitment to supporting the local community.

This Term in Pictures

T Level Media Broadcast and Production and UAL Creative Media Production and Technology students had an exciting morning last week, exploring the Media Studios at Young Creators UK. They learned first-hand about the studio's creative projects, production processes, and the wide range of roles that bring media content to life. Meanwhile, second-year UAL Creative Media, Production and Technology students spent the day exploring the Wes Anderson Archives at the Design Museum - diving into storyboards, props, costumes, set designs, and the meticulous world behind his iconic films.

Not to be outdone by their UAL and T level counterparts, year 12 A Level media studies students took part in a full day of interactive workshops at the British Film Institute exploring media industries and media audiences, with a special focus on Disney and the making and marketing of Black Panther - one of their key A Level Media case studies.

Meanwhile, Business students participated in the Hebe Foundation's Urban Debaters' communication project, a programme delivered in partnership with global law firm Eversheds Sutherland

Student Wellbeing Ambassadors joined Lambeth Landscapes to plant new trees and hedgerows on Clapham Common - a hands-on project that brought together environmental action, teamwork, and community engagement as well as supporting students' mental health.

A collaboration between A Level Italian and A Level Politics led to a visit to the European Parliament in the UK located at Europe House in Westminster, where they took part in a structured debate exploring the evolving relationship between the United Kingdom and the European Union.

Level 3 Travel & Tourism students visited the Natural History Museum and the V&A Museum to explore and evaluate customer service practices. The Culture Café student society visited Chinatown as part of the celebrations ahead of Chinese New Year

UAL Performing and Production Arts students had an acting masterclass led by professional actor Adam Borzone from Central School of Speech and Drama.

This year's Young Enterprise team had the chance to market their prototype product at Spitalfields. This year, the team has designed an ingenious sustainable product that aims to reduce the time an individual spends in the shower, saving both water and energy. The product, Beat the Marble, is currently being manufactured in Italy. The first round of the competition is next week.

HOT OFF THE PRESS: HOT OFF THE PRESS: HOT OFF THE PRESS: HOT OFF THE PRESS:

The team came home victorious from the Central London Final, having claimed Best Presentation and Best Overall Company. Congratulations to Violeta, Amanda, Alvernia, Nathan, Elena, Kacper, Gloria, Emili, and Aisha for their incredible work and performance. Onwards and upwards to the next final!

A Level Geography students recently headed to King's Cross to dive into the area's incredible transformation from its industrial past to the vibrant cultural and commercial hub it is today. Not only did they uncover the rich history behind the canals, railways and old warehouses, but they also got hands-on experience using real urban fieldwork techniques. Students carried out environmental quality surveys, perception studies, pedestrian counts, and land-use and services mapping, seeing first-hand how geographers analyse places undergoing major change. Real places. Real data. Real-world geography.

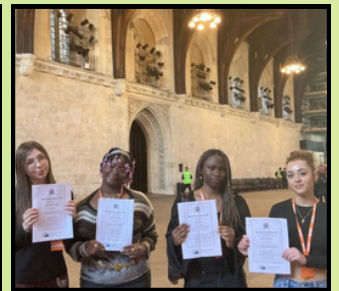

Thursday, March 5th, our Politics and Italian students took part in a high-impact experiential learning trip to the heart of British and European governance. By visiting both the UK Parliament and the European Parliament's UK Liaison Office, students gained a front-row seat to the mechanisms that drive national and international policy.

At the House of Commons, the group was privileged to meet with:

- Marsha de Cordova MP: Member for Battersea and Co-Chair of the UK-EU Parliamentary Partnership Assembly.
- Lena Maria Linnus: Head of the European Parliament's Liaison Office in the UK.

The sessions focused on the weight of parliamentary responsibility, the necessity of cross-border cooperation, and potential career pathways in public service. The afternoon concluded at Europa House in Smith Square, where interactive workshops brought the role of the European Parliament to life. This visit provided invaluable context for the Italian History unit and Politics curriculum, offering our students direct access to the role models shaping our political landscape.

Year 12 History students recently visited The National Archives, UK, in Kew as part of their Democracies in Change course. They worked with original, declassified government documents on the US Civil Rights Movement, examining memos, reports, and news clippings relating to key events such as the Little Rock Nine, the Greensboro Sit-ins, and the March on Washington. A highlight of the visit was the chance to view one of the rare surviving original copies of the US Declaration of Independence, offering students a powerful connection to the historical foundations of modern democracy.

The College Choir recently visited Nightingale Care Home to perform a number of songs, including Lovely Day, Let There Be Peace on Earth, Oh Happy Day, Revelation 19:1, and a Gospel Medley, which was especially requested by the residents. Community spirit at its best. My thanks to all the members of the choir and especially Ms. Gittens, Mr. McCaffrey-Williams, and Mr. Oladosu.

Congratulations to Ariana Soto Toapanta, Taniya Sewell, Jessica Bialkowska, Malakai Dyal-France, Jamila Gabobe, Isabella Anastasio, Oluwaseun Inubiwon, and Salma Mohamoud on their Jack Petchy Awards. The Jack Petchey Achievement Awards recognise young people who go above and beyond; students who show qualities such as commitment, kindness, resilience, leadership, or who make a positive contribution to their school, college or wider community. Each of our winners was nominated by staff or peers for the meaningful impact they've had over the past year.

Eight of our outstanding student award winners attended the Wandsworth Civic Centre to be presented with their awards, along with their families, and our two Leader Award winners: Wellbeing Officer, Amy Stanford and ESOL teacher, Elinor Thomas-Patel. It was a wonderful evening celebrating their achievements and the dedication they bring to SFX every day. All award winners receive £300 which can be spent on curriculum activities such as days out or group meals.

Public Exams Summer 2026

Public Exams for GCSE, A Level and BTEC/CTEC will commence in earnest at the beginning of May. However, there are some exams in Languages and Art that commence soon after we return from the Easter break. It is important that students prepare thoroughly for these exams; we are suggesting that, on average, students should be doing 2-3 hours of revision per day over the break. Students should check Dashboard for dates, times and locations of each examination. Morning exams commence promptly at 9am and afternoon exams at 1.30pm. Students are expected to arrive at least 30 minutes before the published start time for each examination. Students will not be able to enter the exam hall after the exam has started. I am therefore asking for parents'/ carers' help in ensuring that students arrive to their exams in plenty of time. Thank you.

Easter Revision Sessions March/ April 2026

To support students with preparation for this summer's exams, there are a number of revision sessions taking place over the Easter break. We encourage all students to attend the timetabled sessions set out below.

Monday 30th March			
AM (10:00-12:30)			
Time	Staff Member	Student Group	Room
AM (10:00-12:30)	Milani Sekar	Yr 13 A Level Psychology	215

Mental Health Support

As we enter the exam season, students are reminded that they can seek support from our wellbeing officer, Miss Stanford a.stanford@sfx.ac.uk, or speak to any of the College mental health first aiders.

Careers and Progression

The Careers Department at the College offers guidance to students to assist them in making informed career decision, ensuring they transition successfully into university, apprenticeships or employment. The UCAS deadline came and went in January, and we are encouraged both by students' aspirations and the offers they are receiving. In total, almost 90% of our Year 13 cohort submitted UCAS applications, one of our highest ever numbers. 78% of those applications were to Top Third universities, and 55% were to Russell Group universities. Offers have been flooding in. Notable offers include:

- Cambridge - Natural Sciences
- Imperial - Aeronautical Engineering
- Durham - Criminology
- King's College, London - Biomedical Science
- Edinburgh - History of Art
- UCL - Geography
- Bath - Education with Psychology
- Bristol - Philosophy
- Southampton - Economics

On 3rd March, the College was buzzing with ambition as we hosted our Higher Education and Employment Fair, marking the start of Year 12 students' journey toward life beyond college. This event served as a powerful catalyst to focus minds on the range of progression options available, whether through traditional degrees or apprenticeships. With an impressive turnout of 58 representatives from universities, apprenticeship providers, and leading employers, the sports hall was filled with students all eager to map out their futures. It was a truly fantastic event. Massive thanks go to our new Careers Manager, Ms. Blyghton, for successfully organising her first major careers event at the college—it was a resounding success!

During Apprenticeship Week, we were delighted to welcome British Airways to the college who led workshops on Recruitment Processes and Employability Skills with our Year 13 students

My thanks to Investment 20/20 who recently visited the college to share information on the investment sector and the Investment 20/20 Trainee Programme. SFX alumna Melinda Samopolou (M&G trainee) was joined by James Emerson (JP Morgan trainee) and Mia Blake (BNP Paribas AM trainee) who shared their experiences of the trainee programme.

Students learned that the Trainee Programme gives them a full-time paid role for at least 12 months, along with loads of training, support and networking opportunities to help them grow. They were excited to hear that there are in excess of 50 investment firms signed up, giving them access to a huge range of placements - and most importantly, it all adds up to a genuine route into the investment industry.

Huge thanks to the team and especially to Jenny Barber, Director of Careers and Talent for making it happen and for inspiring the next generation of talent.

SFX Essential 8

We continue to invest in delivering the SFX Essential 8, a programme designed to enhance students' personal development and equip them with the transferable skills, behaviours, and attitudes essential for success in the workplace. This comprehensive programme is integrated into both the tutorial sessions and the broader academic curriculum. This term, our focus has been on the vital skills of speaking and listening. Students who showed significant progress in cultivating these skills were recognised with an Essential 8 certificate. Additionally, the Hebe Foundation played a crucial role in facilitating 'The Big Debate', an event that encouraged students from across the college to engage actively and refine their speaking and listening abilities by debating various pressing topics. This initiative not only bolstered their communication skills but also fostered critical thinking and confidence.

I'm delighted that the College has been recognised by Skills Builder UK for the work we have done on embedding essential skills (such as teamwork, problem solving and communication) into the curriculum

Student Finance

A huge thank you to Martin Bancroft from Nottingham Trent University for delivering a set of Student Finance workshops, covering everything from:

- The real costs of university – tuition fees and living costs
- Funding options – Tuition Fee Loan, Maintenance Loan, bursaries
- How the Student Finance application works – means testing, the process, key deadlines
- Repayments and interest rates
- Disabled Students' Allowance, budgeting and managing your money

And because we want every student to access the support they need, Martin returned a couple of weeks later to host a drop-in stand in the main foyer, giving tailored advice to anyone who couldn't attend the initial sessions.

We're incredibly grateful to Martin and NTU for helping us ensure our students feel confident, informed, and fully prepared for the next step in their journey

Can you or your employer help provide industry placements?

Are you or your employer able to support the College in addressing London's skills deficits? If so, we would love to hear from you. We are looking for employers who would be willing to work with our students in delivering work-related skills and offering work placements or other industry experiences. We are particularly keen on hearing from you if you work in the following sectors: health and social care; hospitality; creative; construction; digital; financial; green (sustainability). If you believe you or your employer can help please email our work placement coordinator, Ms Green: n.green@sfx.ac.uk

A religious illustration of Jesus Christ standing in a garden. He is wearing a white robe and has a halo around his head. He has his arms outstretched. Behind him is a tomb entrance with a large stone rolled away. In the background, three crosses are visible on a hill. Two white doves are flying in the sky, holding a banner. The scene is set during a sunrise or sunset, with a warm, golden light. The foreground is filled with various flowers, including tulips and lilies.

Beautiful Easter Blessings
